

Panion Animal Health AB (publ) listed on AktieTorget

Panion Animal Health AB (publ) (“Panion”) has received approval for admission to trading of its shares on AktieTorget. The listing of Panion on AktieTorget facilitates distribution of CombiGene’s shares in Panion to CombiGene’s shareholders. The first day of trading in Panion’s share on AktieTorget is Thursday, 6 July 2017.

The share’s ISIN code is SE0008963151 and it will be traded under the symbol PANION. A Company Description issued in conjunction with the listing will be presented on 3 July. The Company Description will be published on Panion’s website:
www.panion-animalhealth.com

“We wish to improve the quality of life for animals with chronic diseases and we are convinced that gene therapy is a treatment form of the future,” says Panion’s CEO, Anja Holm.

Panion aims to develop and commercialize gene therapy treatments in veterinary medicine based on applications with human health products. Panion’s primary focus is on developing a method for effective and safe treatment of canine epilepsy.

In June 2015 CombiGene formed a wholly owned subsidiary, then called CombiGene Vet AB, and in April 2016 the decision was taken to distribute the subsidiary to CombiGene’s shareholders with the aim of listing the company. The company, which has been renamed Panion Animal Health AB, will use CombiGene’s discoveries to develop a treatment for canine epilepsy. Panion aims at inlicensing or acquiring other veterinary medicine projects or products.
